INTEREST IN THE POLITICAL SITUATION DEVELOPING.

With the registration coming on to-day, and the final city and county elections happening in November, now rather close at hand, concentrated interest in the general political situation in Paris and the county is rapidly developing, and the next few days will see campaign activities in full swing. Farmers on the streets yesterday were dividing time between discussions of the war, crops and politics, with the latter coming strong at the finish.

A general review of the candidates who have been selected in the primary election in August shows that the Democratic nominees are practically without opposition, and there is very little reason to believe that the talk of a fusion ticket, such as was heard some time after the election, or of Republican opposition, will be developed into anything more than talk. The Democrats are expected to put up an aggressive campaign, just as if they had active opposition.

Unless there are some unexpected developments of eleventh-hour entrants, the voters of this city and county will elect the following ticket at the November election:

For State Senator—George Hon. of Clark County.

For Representative—C. M. Thomas, of Bourbon county.

For Sheriff—Will G. McClintock.

For County Clerk—Pearce Paton.

For County Judge—George Batten.

For County Attorney—David D. Cline.

For County Superintendent of Schools—J. B. Caywood.

DR. WALLACE FRANK PLAYS LEAD IN ROMANCE

Lieutenant Dr. Louis Wallace Frank, son of Dr. Louis Frank, prominent Louisville physician and a former resident of Paris, was the leading actor last Sunday in the closing incident of a war-time romance which had its inception at the University of Pennsylvania. The groom, who is a member of the Episcopal Unit No. 34, of New York, which he recently joined as a brain specialist, was married in Grace church, in New York, on Sunday to Miss Jean Macdonough, of Philadelphia.

It was several years ago that the young Dr. Frank, while a student at the University of Pennsylvania, met Miss Macdonough, whose father, now deceased, was a prominent banker of the Quaker City. A few months ago when he left for the East to join the hospital unit answering the call of his country, he again met Miss Macdonough, who was taking an active interest in the raising of Red Cross funds. The common cause of patriotism proved an inspiration to Cupid and the result of the several months' renewal of acquaintanceship was announced of the engagement and approaching marriage.

Capt. Shelby Frank, of the Ordnance Department of the United States Army, a brother of Dr. Frank, who is stationed at Springfield, Mass., was the best man. A rumor brought to Louisville says the bride will go to France with her husband, but this report, according to local relatives of the groom, has not been confirmed.

The groom is a nephew of Messrs. Bismarck Frank and Robert Lee Frank, of Paris, Julian Frank, of the county, and Mrs. Milton Culp Browning and Mrs. John Fitzgerald, of Cleveland, Ohio.

GEO. MAJORS, "GERMAN SPY," GETS SIXTY DAYS.

In the U. S. Federal Court at Frankfort, George Majors, arrested in Bourbon county, as a suspected German spy, drew 60 days for wearing the uniform of the United States Army.

When asked what he had to say, Majors told the court, "If you will let me off, I'll join the army and wear the uniform by right."

Judge Cochran inquired particularly what had inspired the "spy talk," but the substance of it seemed to be the uniform and the rather incoherent tale Majors told about having been sworn in as orderly by a "Captain Cutts" at Newport. "Captain Cutts" never could be located. Majors said he is a native of Cynthia and has a brother in Louisville. His parents are dead.

Some of the speakers will be Rev. R. A. Waite, of Chicago, who will represent the International Committee. He will tell how to reach and hold the growing boys and girls. Rev. W. O. Carter, D. D., of the Southern Baptist Seminary, Louisville; Pres. R. H. Crossfield, of Transylvania College, Lexington; Pres. Wm. A. Ganfield, of Center College, Danville; Rev. G. A. Banks, of Winchester, who, though he has only been in Kentucky a short time, brings a thorough knowledge of the Sunday School work, as he was formerly President of the West Virginia Sunday School Association. Rev. O. D. Ragan, of Louisville, will lead the singing, and Mr. A. W. Roper, of Chicago, the world famous pianist, will be the accompanist.

Special rates of board for delegates can be secured at \$1.50 per day to \$2.50. For reservations write to Prof. C. S. Dale, Maysville, Ky.

MISS BRECKINRIDGE DELIGHTS A LARGE AUDIENCE.

Confronted by an audience composed of the most representative women of Paris and Bourbon county, an audience that is said to have been one of the largest that ever gathered in the big Circuit Court room, Miss Curry Breckinridge, of Lexington, in an address that will forever live in the memories of her auditors, told yesterday of her experiences near the fighting line "somewhere in France," and delighted an audience that was not the least bit chary of attesting their appreciation.

Miss Breckinridge was introduced by Mrs. Fanniebell Sutherland, president of the City Federation of Clubs, in a neat address that was a little gem in itself, and was followed by Miss Breckinridge. At the conclusion of the meeting a free will offering amounting to a good-sized sum was taken for the purpose of furthering the work of the Red Cross.

Seven hundred members for the Christian Church Sunday school is the mark set for that body next Sunday, as their offering in the big Sunday school rally set for that day. An effort is being made to arouse the Sunday schools of the State and to have a greater number of men, women and children in Sunday School that day than ever known in the history of the Association. This goal can only be reached by all who are interested in Bible School work getting busy at once and talking Sunday School attendance to every man, woman and child with whom they may come in contact from now until October 7.

ADDRESS ON TAX LAWS.

Hon. M. M. Logan, of Frankfort, will address the citizens of Paris and Bourbon county at the court house to-morrow, (Wednesday) night at 7:30 o'clock, on the tax laws enacted by the last session of the Legislature. Mr. Logan is a speaker of considerable reputation, and his familiarity with the subject of taxation and the provisions of the new tax law will enable him to explain to the taxpayers the intricacies of that measure.

K. OF P. MEETING.

The regular meeting of A. J. Lovely Company No. 34, Uniform Rank, Knights of Pythias, will be held at the Castle Hall, corner Main and Third streets, at 7:30 o'clock Wednesday night. Business of importance.

W. W. DUDLEY, Captain.

SOLDIERS, SAILORS AND FLIERS MIXED IN BIG PLOT.

Five members of the United States Aviation Corps, an army recruiting officer and two navy ensigns are said by Federal officials to be involved in a plot against the government, alleged to have been headed by Lieut. Erwin Frederick Schneider, of the German navy, and Theodore Kasinger, department store employee, both of whom were taken into custody at San Francisco recently.

This disclosure came as the result of an order from the Department of Justice providing for the immediate removal of Schneider and Kasinger from the county jail to an internment camp on Angel Island, which contains Franz Bopp, former German Consul General at San Francisco, and his aide, Baron E. H. von Schack, former Vice Consul.

The authorities refused to divulge the nature of the alleged participation of the army and navy officers in the plot. They said all information on the case had been sent to San Diego and Los Angeles, where it was understood the conspiracy centered.

As the time Schneider and Kasinger were taken into custody Federal agents asserted that the two had associated with four Austrian army officers subsequently detained at Laredo, Texas, and who, it was believed, were planning to embark from Mexico for Germany or Austria. It was said they were suspected of having obtained military information.

OCTOBER COURT DAY.

The coming of October court day saw one of the biggest crowds in the city than on any similar occasion for many months. The fine weather, the splendid progress the farmers have been making with their crops, and the general easy tone of the situation all tended to make the day in the nature of a vacation for the agriculturists.

There was a good supply of mules and horses on the market and dealers were kept busy in making transactions. A large number changed hands at good prices. The general tone of business was good and indicated a set determination among all classes to "keep business as usual." The itinerant street preacher divided time and attention of the crowd with the "horse traders," and all went along merrily. At the court house one of the largest crowds ever inside the walls heard Miss Curry Breckinridge, of Lexington, deliver an interesting talk of her experiences in France. Merchants reported business and collections both good.

PERSONAL ATTENTION IS CALLED TO THE FOLLOWING.

To insure satisfactory delivery of mail for men enlisted in the National Army and the National Guard of the United States it is vitally important that all mail for officers and men in the camps or cantonments be addressed in as perfect manner as possible.

The name of the addressee should be written as plainly as possible and always given in full. His official title should precede the name and his location should be given in detail.

The following is suggested as the best form of address:

Private William C. Jones,
Company C, First Regiment,
Pennsylvania National Guard,
Camp Mead, Maryland.

In the case of an officer in the service his exact title and address should be ascertained, and the mail addressed, as this one going from Paris is:

Battalion Sergt-Maj. W. Earl Curtis,
Headquarters Company,
Third Texas Infantry,
Corpus Christi, Texas.

It is especially urged that your return address be placed on the letter, or in fact, on every piece of mail you send to your soldier friend or relative. This is very important.

HOG CHOLERA RULES REVISED BY BOARD.

The State Live Stock Sanitary Board at an all-day meeting Friday revised the 1914 regulations for the control of hog cholera, and the revised rules will be promulgated in a short time, governing the transportation of hogs into the State, the handling of serum, its use, the treatment of infected herds and disposition of carcasses. No hogs for breeding purposes can be shipped into Kentucky without a certificate that they had received the double inoculation at least two weeks before.

The board also accepted the Federal co-operative plan for the eradication of tuberculosis among cattle. The Government and State each will put an expert in the field to test pure bred stock. Beef cattle breeders are eager to co-operate, but whether the dairymen will has not been learned.

REV. GEO. H. HARRIS TO GO TO NURSES IN GRADUATING CLASS AT HOSPITAL.

At a called meeting of the Board of Directors of Margaret College and the vestry of the Versailles Episcopal church, in Versailles, Sunday afternoon, Rev. George Harris, rector of St. Peter's Episcopal church of this city, to whom a call had been extended, signified his acceptance of trust. Rev. Harris will continue with the Paris church until November, but will act in an advisory capacity with the faculty of Margaret College, of which he has also been chosen as Dean.

The announcement that Rev. Harris had been chosen to take the rectorship of St. John's Episcopal church, in Versailles was received with profound regret by the people of Paris and the congregation of St. Peter's church, of which he had been rector since 1912. Rev. Harris has endeared himself to the people of this community by his uniform courtesy, his attainments as an orator, minister and man, and they regret the change that will take him and his estimable family from us to new duties in a new place. He is a man whose genial disposition at once made him a wide circle of friends in Paris, whose best wishes follow him to his new charge.

At the same time the vestry of St. John's church ratified the action of the Board of Directors of Margaret College in electing Rev. Harris as Dean of the College, an office which was created to meet the situation caused by the removal of the president, the Rev. J. M. Maxon, to Louisville. Dr. Maxon still retains the presidency of the College, but as he cannot give all his time to the work, it becomes necessary to draft Rev. Harris as a guiding hand at the helm. There is no one better qualified for the responsible position.

The new Guild Hall of the Versailles church will be dedicated on next Sunday morning at eleven o'clock. The services will be in charge of the Rt. Rev. Bishop Lewis W. Burton, Bishop of this diocese, and Rev. J. M. Maxon, who has been in charge of the church for five years, will preach the dedicatory sermon.

HEALTH & WELFARE LEAGUE SETS "TAG DAY."

Saturday, October 6, has been set apart by the Bourbon County Health and Welfare League, as "Tag Day," upon which a campaign will be started on the "tag" system for funds to carry on the work of the organization. This is a worthy cause, and no one should refuse to be tagged for the benefit of an organization that is striving to do so much for the people of Paris who are hardly able to do for themselves.

On the same day provision will be made for furthering the winter's work of the League. Persons who are willing to contribute discarded clothing, to help the League in its work, are asked to please send or bring them to the office of Mrs. Harriet Minaker, Visiting Nurse, of the Health and Welfare League, in the rooms over Varden's drug store, on Main street. A committee to be named at the meeting of the League on next Thursday will be in charge and be present to receive and acknowledge receipt of any contributions of this character that the charitably-inclined people of the city or county may feel willing to make. Owing to the prospect of a hard winter and the shortage of coal there will likely be an increased demand upon the resources of the League, and they hope in the way mentioned above to be partly prepared.

The regular monthly meeting of the Health and Welfare League will be held in the County Court room in the court house in this city, next Thursday afternoon, October 4, at 2:30 o'clock. Membership dues for the year will be collected at this meeting, and other important business will be considered. It is urgently requested that every member be present at this meeting, so they can be informed as to steps to be taken for "Tag Day," and the other plans for the work.

BOURBON OIL AND DEVELOPMENT CO. BEGINS DRILLING.

The Bourbon Oil & Development Company, with offices at Paris, has begun operation on its well No. 1 on the Fred Chapman lease in the Fitchburg district in Estill county. It has also completed arrangements for drilling No. 1 on its J. T. Rogers lease, northeast of Cob Hill in Estill county.

The same company has purchased a royalty lease in the Shelt Rogers lease, near Cob Hill, Estill county, operated by the Monarch Oil Company. This lease has eight producing wells, with an estimated production of 300 barrels, with a ninth well due to be drilled in.

Misses Mattie Hartley, Minnie Robinson and Annetta Gray have the distinction of being the first graduate nurses to receive diplomas from the Massie Memorial Hospital School of Nursing. Miss Hartley was the honor graduate.

The graduating exercises were held in the Nurses' Home adjacent to the Hospital, on last Thursday night, in the presence of an audience composed of physicians, students, members of Hospital Board of Trustees, and other friends of the institution. The program comprised solos by Mrs. Macie Fithian, whose husband, the late Dr. Frank Fithian, was ever one of the most devoted friends of the Massie Hospital; an interesting and eloquent address by Rev. Geo. H. Harris, rector of St. Peter's Episcopal church; an address by Hon. Claude M. Thomas, full of thought and eloquence; the administration of the Florence Nightingale Pledge and presentation of diplomas to the graduates by Miss Boehme, Superintendent of the Massie Memorial Hospital, who performed this duty as she does all others, excellently. Refreshments were served the guests at the close of the exercises.

Dr. Chas. G. Daugherty, another staunch friend of the Massie Hospital, made an address in which he spoke in glowing terms of the high womanly character and professional ability of the graduates, and complimented them upon their faithfulness and efficiency. He spoke of application being made to the Massie Hospital for nurses by the managers of the new Georgetown Hospital, nearly completed. He designated this application as an eloquent testimonial to the Massie Hospital, when there were so many larger and more pretentious institutions to choose from, and that it was double honor in that it reflected great credit upon the capable Superintendent, the tutors and the nurses as well.

The beautiful recreation room where the exercises were held was tastefully decorated with American flags, goldenrod and white flowers, the colors adopted by the members of the graduating class being white and gold. A reception committee composed of the Women's Board of the Hospital—Mrs. E. F. Clay, president, Mrs. W. O. Hinton, vice-president, Mrs. Laura Wiggins, Mrs. I. L. Price, Mrs. M. J. Lavin, Miss Lucy Simms and Miss Mary Spears, greeted the guests and conducted them to the attractive reception room.

Bourbon county people are justly proud of the Massie Memorial Hospital, for the good name it bears and the excellent administration of its affairs, both by officials of the Board and its capable Superintendent and her co-workers. In recent years the fame of the institution has brought many patients from other cities and counties, for treatment. In point of equipment and facilities for treatment of the sick and injured, it ranks second to none in Central Kentucky, and, indeed, is not far behind far more pretentious institutions. Forever revered will be the memory of those benefactors, both the principal donor and the ladies who worked up the fund, whose unselfish efforts and generosity made possible the Massie Memorial Hospital.

INSURANCE PAID.

A check for \$2,000, payable to Mrs. Robt. Parks, of Pineville, formerly Miss Elizabeth Armstrong, of Paris, was turned over to her by Mr. Louis Wollstein, of Paris, Secretary of the Insurance Department of the Kentucky Grand Lodge Knights of Pythias.

The check was in payment of a policy for \$2,000 on the death of her father-in-law, the late Col. R. M. Parks, of Carlisle, and will be held in trust by Mrs. Parks as guardian for her son, Frank A. Parks. Over \$30,000 insurance has been paid out by this order on death claims of Bourbon county members.

FEAST OF THE TABERNACLES.

The Feast of Succoth, better known in Jewish circles as the Feast of the Tabernacles, was observed by the Jewish citizens of Paris, Monday, many of whom went to Lexington, where they attended services at the Maryland-Avenue Temple.

Succoth, or the Feast of the Tabernacles, falls on the fifteenth day of the seventh month Tishri, which this year coincides with Monday, October 1. The festival lasts eight days, the final day being known as the Feast of the Conclusion. In this festival stress is laid upon the Providence of God evidenced by the richness and bountifulness of Nature. By it the ideal of Judaism is expressed that God is the dispenser of all things. The fruitfulness of the soil, the teeming bounty of the earth, the Jew is reminded, are the gifts of the Giver of all life. Gratitude is due to him alone. Man in the midst of the many blessings gives thanks to Him who is the source of all that maintains life.
